

LEONARDO BUDI

----- Graphic & UI Designer -----

A Little About Me

I'm Leonardo Budi, Indonesia, hold a Bachelor's in Graphic Design (DKV). I am well versed in different areas of design and have successfully designed solutions for print media, websites and mobile interfaces. As a designer, my weapon choices are Adobe Photoshop and Lightroom for editing layout and photos. Adobe Illustrator for vectoring, Adobe After Effects for animation and currently i am using Sketch app for designing a UI for mobile and web.

I Believe in Work / Play Balance

Why We Should Work Together?

Ability to work well alone and within a team of creatives.

Good understanding of the principles of design and design theories.

Hard worker.

Good technical skills enables me to use my knowledge of design principles.

Good in Time management.
